

Spas & Luxury von Essen

A boutique-full day out

VON ESSEN has launched new shopping packages based at its Cliveden property in Berkshire. The luxury packages involve transport by helicopter, Rolls-Royce or Bentley to London and either a full or half day of shopping with Cliveden's personal style consultant, Michaela Jedinak. The packages take clients to one of three London shopping areas:

CHELSEA

Clients spend a half day in the spa at Cliveden before having afternoon tea. This is followed by champagne in your bedroom and dinner in Cliveden's Michelin-starred Waldo's restaurant. The next morning, you fly by helicopter to London, are picked

up by the hotel's Rolls-Royce Phantom, and then spend the full day shopping with Michaela. Later, you are flown back to Cliveden for dinner.

Price: £2,275 per person per night, based on two guests sharing, with a minimum two-night stay.

KNIGHTSBRIDGE

Similar to the Chelsea package but based on a junior suite at Cliveden. Transfer to and from London from Cliveden by Rolls-Royce Phantom, which you can use all day, but there is no helicopter ride. The package includes a half-day (four hours) shopping consultation with Michaela.

Price: £1,135 per person per night,

based on two guests sharing, with a minimum two-night stay.

NOTTING HILL

The same package but with a deluxe double room at Cliveden, and a Bentley all day (transfer to and from London from Cliveden is by the Bentley, not helicopter). The package includes a half-day shopping consultation with Michaela.

Price: £895 per person per night, based on two guests sharing, with a minimum two-night stay

All packages include a telephone consultation with Michaela prior to arrival to discuss shopping requirements in advance.
