A WHITER SHADE...

If you think white is white is white you've obviously never been a blushing bride or tried on more than one wedding gown. Michaela Jedinak at Joy of Colour knows all about finding the perfect shade for your skin tone and colouring and even your body type. Call Michaela in for a consultation and she'll take these into account, along with your personality, lifestyle and budget and give you advice on choosing not only the perfect wedding dress but also offer you tips on accessories, necklines and hairstyle.

● **£130 for a two-hour consultation with Michaela.**
