Magic away the years with a new beauty product from No7. Line Lift is a line filling collagen booster, £10.50 from Boots.

Velvety soft and quickly absorbed, it has light-diffusing particles to disguise the appearance of fine lines and wrinkles.

It has also been created to improve the appearance of deeper wrinkles too.

It contains hyaluronic acid spheres that absorb water in the upper layers of the skin and inflate to many times their original size, appearing to push up wrinkles from within.

MORE IDEAS FOR YOUR MONEY

Sparkle in this silver lurex mini dress, £25 from Dorothy Perkins.

Grey is one of the key colours this season but it's a difficult colour to wear so top style and colour consultant Michaela Jedinak offers these key pointers to make it work for you.

Think of grey as a new neutral - wear it in place of black or white.

Choose exactly the right shade for your skin tone and personality.

Charcoal is a true power colour slightly masculine but good with crisp white or dramatic red, while soft dove grey is a relaxed tone which encourages peace and harmony.

Combine grey with another of this season's key shades - think teal, emerald, purple or red to really make it work for you.

It is best to wear grey away from the face - if you have invested in a great grey coat then buy a soft mohair scarf in a subtle shade to prevent grey from draining your skin tone.

Visit Michaela's website at www.joyofcolour.com for more advice.

Beauty tip

A dab of translucent powder along the hairline, particularly around the forehead, can soak up excess moisture and tide you over until you hit the shower. This is a quick solution to greasy or oily hair (1,001 Little Beauty Miracles by Esme Floyd).

Beauty box

Tomorrow is Wear it Pink day so why not treat yourself to some girly pink products, above, and at the same time know you are doing your bit for breast cancer awareness. To mark the culmination of Breast Cancer Awareness Month Debenhams' Stockton store has a host of pink products on offer and for each one sold a donation will be made to the Breast Cancer Campaign. Look out for the pink label products on the store's first floor by the lingerie department. And at the same time why not spruce up your underwear draw with some new additions as from every bra sold in the Stockton store, until the end of October, 50p will be donated to the charity.
